Instructions

1. Using liquid glue, adhere the 1/4" x 4-1/4" Early Espresso strip centered on the 3/8" x 4-1/2" Pool Party strip.
2. Cut the 2" Early Espresso circle in half and attach to the Very Vanilla layer in the upper right corner.
3. Adhere the Early Espresso/Pool Party strip vertically in the center of the Very Vanilla layer.
4. Adhere the 3/8" x 1-5/8" piece of Pool Party to the right of the previous strip towards the top of the layer.

5. Adhere the 3/8" x 1-1/4" strip of Pool Party to the left of the center strip.
6. Adhere a 3/8" x 1-1/4" strip of Crumb Cake above the left side Pool Party strip with the ends touching.
7. Adhere a 3/8" x 1-1/4" strip of Crumb Cake below the right side Pool Party strip with the ends touching.
8. Adhere the 2" Crumb Cake circle to the card using liquid glue.
9. Use the Embossing Buddy from the Embossing Additions Tool kit on the 2" Early Espresso full circle.
10. With Versamark ink, stamp the HELLO sentiment from the Layering Leaves Stamp Set in the middle of the circle.
11. Hold the circle with the reverse tweezers over the powder pal and sprinkle the Basic White Embossing Powder over the Versamark stamped sentiment. Tap off any excess powder into the Powder Pal.
12. Warm up the heat tool on high for 15 seconds. Holding the circle with the reverse tweezers, use the Heat Tool to melt the Basic White Embossing Powder. Allow the sentiment to cool.
13. Determine your preferred placement of the sentiment, then place Stampin' Dimensionals (cut in half fits best) on the Very Vanilla card layer - not on the strips. The idea is to keep the sentiment level.
14. Remove the dimensional covers and place the sentiment on the dimensionals. If any areas need stabilizing, insert a 1/2 or mini dimensional under the unsupported side (I use the pointy end of the Take Your Pick Tool for this).
15. Cut the 2-3/8" Pool Party circle in half. Add Stampin' Dimensionals and place the edge even with the left side of the Very Vanilla layer.
16. With the Dark Pool Party Stampin' Blends, color one large and two small Rhinestone Basic Jewels. Adhere to the Very Vanilla layer.
17. Adhere the Very Vanilla card front to the card base with Stampin' Dimensionals.
18. For the inside Very Vanilla layer, stamp the Lovely Layers texture stamp in all 3 ink colors - Crumb Cake, Pool Party and Early Espresso.
19. Using Stampin' Seal+, adhere the inside Very Vanilla layer to the inside card base.
20. Using Stampin' Seal+, adhere the inside Very Vanilla layer to the inside card base.

21. Adhere the Early Espresso cardstock to the envelope flap.
22. Stamp the Layering Leaves texture stamp three times on the front left bottom of the envelope front.
23. Stamp the Layering Leaves Hello sentiment on top of the textured stamp.
