# Instructions

1. Score Pebbled Path card base at 5-1/2" and 2-3/4".
2. Fold card base in half and fold the front panel back making a Z with the cardbase.
3. Adhere the largest DSP to the cardbase with liquid glue.
4. Adhere one piece of 2-1/2" x 4" DSP to the inside panel with liquid glue.
5. Adhere the second piece of 2-1/2" x 4" DSP to the front panel with liquid glue.
6. Adhere the 4-1/4" x 3" DSP to one of the Pecan Pie mats. You will build your focal point on this layer.
7. Use the perforated long die with the holes to cut holes in the focal point DSP (I used white/gold graph paper). Make sure you have the set of three holes in the center of the piece.
8. Tie a piece of Gold 1/8" Faux Leather Trim in a bow using the first and third holes. Trim the tails.
9. Adhere the perforated paper to the second piece of focal point DSP (I used the Pebbled Path script) with liquid glue.
10. Apply liquid glue in a thin line on the top of the Pebbled Path DSP and adhere the white/gold Graph to the Pebbled Path. If desired, use a mini glue dot behind the Gold 1/8" Faux Leather Trim.
11. Swipe the Pebbled Path sentiment with the embossing buddy.
12. Stamp the sentiment with Versamark Ink and sprinkle with White Basics Embossing Powder.
13. Warm your Heat Tool on setting 2 for 15-30 seconds, then melt the embossing powder with the heat.
14. Stamp the banner ends with the grid stamp in Pebble Path, stamped off once.
15. After the sentiment cools, use the Banners Pick a Punch to punch the sentiment ends.
16. Adhere the sentiment to the card front with Stampin' Dimensionals, overlapping the top DSP.
17. Die cut a Notes of Nature medium and large foliage dies from Gold Foil Sheets and a large foliage from Pecan Pie.
18. Arrange the gold foil and pecan pie elements and adhere them behind the sentiment with liquid glue.
19. Adhere three Adhesive-Backed Cork Rounds to the focal point.
20. Swipe the Basic White layer with the embossing buddy in the bottom right corner.
21. Stamp the leaves from the Notes of Nature stamp set using Versamark Ink.
22. Sprinkle Gold Metallic Embossing Powder over the stamped image.
23. Using a warmed Heat Tool, melt the embossing powder on the layer.
24. Adhere the inside Basic White layer to the Pecan Pie mat using Stampin' Seal.
25. Center the inside layer/mat on the cardbase.
26. Use liquid glue on the left side only of the horizontal focal point and adhere it to the front of the cardbase using the inside mat as a guide. The intention is to place the outside layer exactly where the upper focal point layer is, so the inside layer is "hidden" until the card is opened.
27. Adhere the 2-1/4" x 6" DSP to the envelope flap with liquid glue.
28. Stamp the front lower left corner of the envelope with twice stamped off Pebbled Path using the texture stamp.
29. Stamp the floral stamp on top of the texture stamp using Pebbled Path ink.
