Instructions

1. Adhere the adhesive sheet to the back of the 3-1/4" x 5-1/4" Daffodil Delight card stock.
2. With the Stampin' Cut and Emboss machine, die cut one Mini Alphabet Die.
3. Use the Stampin' Cut and Emboss machine to die cut the branch, beehive, grass and leaves out of the listed card stock.
4. Die cut the Fluffiest Friends large, rounded frame from the Coastal Cabana front layer.
5. Place the front layer on the smaller Basic White piece and mark the stamping area lightly with pencil.
6. On the Basic White under layer, stamp the bear with Tuxedo Black Memento Ink towards the bottom of the penciled frame area.
7. Stamp the bees several times across the top of the penciled frame area. It's ok to stamp parts of the bee stamp outside the penciled line.
8. Using light Daffodil Delight Stampin' Blends, color the bee bodies.
9. With light and dark Crumb Cake Stampin' Blends, color the bear. The Stampin' Up! Designers have given you a great indication of where to shade – make the shaded areas darker.
10. Adhere the grasses at the bottom of the penciled frame covering the bear a little. The frame is about 2 grasses wide, so the third grass is for depth. Use the frame to make sure the grass is placed as desired.
11. Adhere the Coastal Cabana frame layer to the Basic White stamped layer with liquid glue.
12. With the dark Daffodil Delight Stampin' Blends, highlight the beehive lines.
13. With the dark Basic Black Stampin' Blends, carefully color the beehive entrance hole.
14. Adhere the branch, leaves and beehive to the card front layer with liquid glue.
15. Using the Banners Pick a Punch, punch the left side of the banner.
16. Add the letters to the banner to spell the desired word, centering it vertically and horizontally.
17. Use the banner punch on the right side.
18. Adhere the banner to the card front layer with Stampin' Dimensionals.
19. Add three (3) Tinsel Gem Three Pack gems in Lost Lagoon to the front card layer.
20. Adhere the card front layer to the card base with Stampin' Dimensionals.
21. Stamp the inside card layer with the three bees and the three flowers stamps. I arranged them on the same acrylic block and stamped them at the same time.
22. With light Daffodil Delights Stampin' Blends, color the bee bodies.
23. Using light Bubble Bath Stampin' Blends, color the flowers.
24. With the light Old Olive Stampin' Blends, color the leaves.
25. The Fluffiest Friends doesn't have any sentiments, so if you want a sentiment inside, select it and stamp it in your ink of choice.
26. For the envelope flap, stamp the bees and flowers in a random pattern. Color with the same blends as the card inside layer.
27. Stamp the small bird on the left front of the envelope. Before coloring, insert a window sheet into the envelope to avoid the blends bleeding through the back of the envelope. Color the bird body in dark Daffodil Delight and his wings in light Azure Afternoon. I added Wink of Stella to the wings for a little bling.
