Instructions

1. Cut and score as above.
2. Fold cardstock at score lines and burnish with bone folder.
3. Locate the center of the front cardstock panel and mark lightly with pencil.
4. Locate the center of the front DSP and mark lightly with pencil.
5. Stamp the sentiment with Tuxedo Black Memento ink on the front card panel using the center mark as a placement guide.
6. Center the heart die on the front DSP and secure with a sticky note before running through the Stampin' Cut & Emboss machine.
7. Stamp the bee trail in Tuxedo Black ink.
8. Swipe the embossing buddy over a 2" wide strip of Daffodil Delight.
9. Stamp the stripes and stinger using VersaMark ink.
10. Cover the VersaMark stamping with Black Basics Embossing Powder and tap off the excess. Repeat one more time.
11. Use your Heat Tool to melt the embossing powder until shiny. Allow to cool before punching with the Bee Builder Punch.
12. Punch a small heart from Daffodil Delight.
13. Punch wings (large heart) from Petal Pink and Vellum.
14. Stamp the bee face on the body with black ink.
15. Stamp the antenna on the small heart with black ink.
16. Stamp the wing detail with Petal Pink ink on both wings (large hearts)
17. Assemble the bee with liquid glue – glue the wings together with the vellum offset behind the Petal Pink and glue the wings and antenna to the body.
18. Before adhering the DSP to the front of the card, carefully check the intended placement will reveal the sentiment fully when the tab is opened.
19. Adhere the DSP to the front panel with liquid glue on the edges only. Do not glue the heart to the card.
20. Add Stampin' Dimensionals to the bee and place the bee on the heart. You can place your bee as desired, but the Stampin' Dimensionals should not extend beyond the inside of the heart so the reveal is not impeded.
21. Adhere the DSP to the front left panel.
22. Wrap the ribbon around the left panel and tie in a bow on the front. Trim tails.
23. Adhere DSP to the inside of the left and right front panels with liquid glue.
24. Place the right front panel, with the 1" folded, on the card base. Mark the inside panel where the right front panel will cover. This is where you will stamp.
25. With Pool Party ink, stamp the cake on the sentiment panel.
26. With Petal Pink ink, stamp the candle.
27. Add a Sweet Sorbet Heart from the Adhesive-Backed Heart & Flower embellishment pack to the top of the candle.
28. In Lemon Lime Twist, stamp the birthday sentiment on the inside panel.
29. Center the 1" section of the front panel on the card base and adhere with liquid glue.
30. Add Stampin' Seal to the back of the inside panel and adhere the panel to the card base sandwiching the 1" section between the panel and the card base.
31. Adhere the DSP to the envelope flap with liquid glue and trim with paper snips.
32. Stamp the bee body on the right side of the envelope front.
33. Stamp the stripes and stinger on the body and the antenna with Tuxedo Black ink.
34. Stamp the wing detail with Petal Pink ink.
