# Instructions

1. Stamp 1" of the left side of the Berry Burst panel with the butterflies using Berry Burst Ink.
2. Adhere the DSP to the right side of the panel with liquid glue.
3. Using either of the Cut & Emboss machines (both the full size and Mini work for this part), die cut two (2) of each of the lavender elements from Blackberry Bliss, Crumb Cake and Pretty Peacock card stock. \*\* Note that the Crumb Cake element has 2 pieces in the single die, so you only need to cut once.
4. Adhere three lavender elements to each other at the branch end using a small dot of liquid glue. Repeat with the other element.
5. Cross the lavender elements at the glued edge and adhere with linen thread or glue to each other in a V.
6. Wrap linen thread around the left side of the card panel three times and tie a knot at the back. The most effective way to do this is to leave the linen thread on the spool and trim after knotting. If you'd like to measure, this is about 34" of linen thread.
7. Stamp your sentiment toward the right side of the banner in Pretty Peacock ink on Crumb Cake card stock.
8. Use the Banners Pick A Punch to make the banner tails. Leave the left side edge of the sentiment straight.
9. Center the lavender grouping on the DSP with the bottom about 1-1/4" from the DSP bottom edge. Adhere with a mini glue dot or liquid glue.
10. Place Stampin' Dimensionals on the card panel for the sentiment placement. Make sure the sentiment banner will cover the dimensionals used.
11. Adhere the sentiment to the dimensionals.
12. Place 3 Berry Burst colored Purple Fine Shimmer Gems on the front card panel.
13. Adhere the front card panel to the card base front with Stampin' Dimensionals.
14. For the inside panel, stamp the grass using Lost Lagoon ink. Stamp the butterflies twice in Berry Burst ink over the grass.
15. Adhere the Perennial Lavender DSP to the envelope flap with liquid glue. Trim to fit with paper snips.
16. Stamp the long branch on the front of the card with Lost Lagoon ink.
17. Stamp the four flower cluster on the branch with Berry Burst ink.
