Instructions

1. Stamp the textured stamp on the front panel three times – once in each color, Tahitian Tide, Crushed Curry, Berry Burst. I recommend starting at the top and bottom then adding the center stamp.
2. On the 1” x 2” sentiment pieces, stamp the sentiment in each color for a total of three sentiments.
3. Adhere the front panel to the left side of the card base with Stampin’ Dimensionals leaving a margin. This panel is intentionally smaller than the card base.
4. With liquid glue on the left side of the sentiment pieces and a Stampin’ Dimensional on the right side, adhere the sentiments to the right side of the front panel.
5. Add three gold Pastel Adhesive-Backed Sequins to the three sentiment pieces.
6. Using Berry Burst stamped off twice, stamp the texture inside the card in the bottom right corner.
7. For the envelope, stamp the texture stamp in each color, stamped off once, on the flap.
8. Stamp the Layering Leaves Hello on the front of the envelope in Berry Burst.
