11. Stamp three flower trios and color with Stampin’ Blends.
12. Fussy cut the Cutest Cow flower trios.
13. Adhere a flower trio to the Pebbled Path background on the right and left side with liquid glue, varying their height.
14. Add Stampin’ Dimensionals to the back of the middle flower trio and adhere to the center of the Pebbled Path background between the other two flower trios.
15. Adhere the bouquet to the front of the card using Stampin’ Dimensionals behind each cow and liquid glue on the stems. Make sure before adhering that the flower grouping will cover the bottom of the stems.
