Instructions

1. Score, fold and burnish the card base with a bone folder.
2. Use blending brush to add ink to the large front layer DSP.
3. Adhere inked DSP to the front Basic White mat with adhesive.
4. Adhere the smaller DSP to the holographic paper using adhesive.
5. Cut the adhered top pieces diagonally. If you want to be precise, mark 1" down from top right and 1" up from bottom left and cut diagonally with paper trimmer.
6. Adhere the cut pieces to the front of the card with adhesive.
7. Die cut large pick with Stampin' Cut & Emboss machine. Place a scrap of any cardstock over the holographic paper to avoid too much transfer of unwanted scratches from the top plate.
8. Swipe embossing buddy over the top of the sentiment card stock, then stamp the sentiment in VersaMark.
9. Sprinkle embossing powder over the VersaMark and tap off excess.
10. Heat sentiment with heat tool.
11. Die cut sentiment with Stampin' Cut & Emboss Machine.
12. Adhere the sentiment to the die cut pick with adhesive.
13. Add Stampin' Dimensionals to the back of the pick and adhere to the front of the card.
14. Add three Classic Matte Dots to the front of the card.
15. Stamp the guitar on the inside sentiment panel with Tuxedo Black Memento ink.
16. Color the pick guard with dark Melon Mambo Stampin' Blends.
17. Color the remainder of the guitar with light Melon Mambo Stampin' Blends.
18. Add Wink of Stella to the pick guard.
19. Adhere the sentiment panel to the inside of the card base.
20. Tag me at #stampwithnel when you post your finished card 😊
