Stampin' Up!® Take to the Sky / A Little Latte Pocket Card

Cutting Instructions

Any Take to the Sky 12" x 12" DSP Pattern

If directional, place in the proper orientation, then score at 4" and 8" – at this point it might help to put a paper clip in the center top of the pattern.

Turn to the left and score at 3" and 8-1/2".

Use the scraps from the DSP and cut 1/4" x 3-1/4" (2 pcs) to decorate the side cards.

Basic White Cardstock

3-1/4" x 4-1/2" (2 pcs – left and right of center)

3-1/2" x 2-3/4" (2 pcs – Top and Bottom of center)

3-1/2" x 4-3/4" center

Scrap for Everyday Details die

Mossy Meadow Cardstock

Measure your photos and add a mat that is 1/4" larger on the top and right which will give a 1/8" margin all around.

Night of Navy

1-1/2" x 11" for belly band – trim to needed size based on card thickness

Instructions

Please watch the video for detailed instructions.

Here are some hints:

1. Fold and burnish the score lines before cutting based on the diagram.
2. For the top center, tear 1" from the edge (tear towards you if you want the white to show).
3. Add a small amount of glue on the pocket edges and try to insert your card before decorating – trim if needed, then decorate.
4. Use any punch to create the thumb notch on left or right pocket (whichever you leave full).
5. If making a card, you can use a belly band. The decorative circle is 3" in diameter (largest Stylish Shapes Circle Die). I inked the edge in Night of Navy and stamped Mossy Meadow (stamped off once) splotches on the circle edges.
6. Use your imagination to fill the pockets and decorate your card.
