Instructions

1. Score, fold and burnish card base.
2. Adhere the 1-1/4" x 4" DSP to the top panel of the card and the bottom cut of the panel.
3. Adhere the 2-1/4" x 4" to the larger panel.
4. Emboss the larger panel with the Eyelet 3D Embossing Folder with the Stampin' Cut & Emboss Machine.
5. Align the front bottom panel with the bottom of the card base.
6. Adhere the embossed focal point panel to the card front overlapping on the top and bottom front panels.

7. Wrap Linen Thread around the upper edge of the center panel three times and secure with a bow. Trim tails with paper snips.
8. Fussy cut the single orange, leaves and blossoms from the DSP with paper snips.
9. Adhere to the card focal point panel with Stampin' Dimensionals. Add three Brushed Brass Butterflies to the card front.
10. Stamp the inside panel with a sentiment in Garden Green Ink (check to make sure the panel will cover it before actually stamping).
11. Stamp the left and right leaves on the outside edge of the panel with Garden Green Ink.
12. Add two Brushed Brass Butterflies to the inside panel where they can peek through the open edges of the front of the card.
13. Adhere the DSP to the envelope flap with adhesive and trim with paper snips.
14. Stamp the dots in Garden Green Ink twice – facing left and right – and slightly intertwined.
15. Tag me at #stampwithnel when you make this card. I would love to see your creation.
