Instructions

1. Score, fold and burnish card base.
2. Dry emboss the Real Red 2-1/4" x 6" panel with the flowered Fun Patterns Embossing Folder with the Stampin' Cut & Emboss machine (these embossing folders will fit in the Mini as well).
3. With repositionable adhesive, secure the top, middle and bottom white panels on top of each other. There is 1" different for each layer, so there should be a 1/2" margin around each layer – use a ruler if you'd like to be precise.

4. I prefer a stamp positioning tool for this step – using Tuxedo Black Memento Ink, stamp the Doggone Friendly stamp on all layers at the same time. Apply even pressure over the stamp with your hand or other method.
5. Adhere the top and middle mats to their respective layers with your adhesive of choice.
6. Adhere the bottom layer to the card front, then add the middle and top matted layers, lining up as many stamped elements as possible. They will not be exact.
7. Stamp the sentiment on Basic White Cardstock and die cut with the Stampin' Cut & Emboss machine (or the mini). Save the outside cut for later.
8. Die cut a Real Red Cardstock sentiment die. Save the inside cut for later.
9. Using regular tape, adhere the Real Red Cardstock outer cut and the Basic White Cardstock stamped cut together on all inside edges.
10. Adhere Stampin' Dimensionals to the sentiment, then adhere the sentiment to the card front.
11. Color the ribbon with dark Real Red Stampin' Blends and allow to dry. Make sure you get the edges of the ribbon.
12. Tie the ribbon into a knot, cut the edges diagonally and adhere the knot to the sentiment with a mini glue dot.
13. Adhere three Adhesive Backed Sparkle Gems to the front of the card.
14. For the inside panel, stamp five paw prints from the Pets & More Stamp Set on the right side of the inside panel.
15. Apply Seal on the back side of the ribbon and adhere to the left side of the inside panel.
16. Adhere the embossed Real Red Cardstock to the envelope flap and trim with paper snips.
17. Stamp the food dish in Real Red Ink on the front of the envelope. Stamp the reversed image using Tuxedo Black Memento ink, stamped off once.
18. Tag me at #stampwithnel when you make this card. I would love to see your creation.
