Instructions

1. Score, fold and burnish card base.
2. Adhere the 4" x 5-1/4" front panel to the front of the card on the edges only.
3. Open the card base with the DSP facing up.
4. Place the 2nd largest circle die where you want to have cutout and process the open card through the Stampin' Cut & Emboss Machine. Save the DSP and the Pecan Pie Cardstock for the focal point.

5. Using the largest and 2nd largest circle dies, cut the frame for the front of the card using Pecan Pie Cardstock. *You can also add the 3rd largest circle die in the center and skip doing it in step 13.* Make the frame as equal as you can.
6. Adhere the Pecan Pie Cardstock frame around the front circle with adhesive.
7. Tie a knot in a piece of Petal Pink Diagonal Trim.
8. Trim the tails with paper snips and adhere to the card front with a mini glue dot.
9. Add three clear embellishments to the front of the card.
10. Fold and burnish the Petal Pink panel. The top fold is a mountain fold.
11. Adhere the Petal Pink panel to the card base with adhesive.
12. Align the Pool Party circle (cut from the front of the card) with the front cutout and adhere to the left side of the Petal Pink Cardstock mountain fold with adhesive.
13. Use the Pecan Pie Cardstock scrap from step 5 and the 3rd smallest circle die for the center of the focal point.
14. Use the back side (Petal Pink and Pecan Pie swirl) of the DSP previously cut from the front of the card and die cut three hearts.
15. Adhere the trio of hearts to the Pecan Pie Cardstock circle with adhesive.
16. Adhere the focal point to the Pool Party Cardstock circle with adhesive.
17. Die cut the large open heart from Pool Party Cardstock.
18. Adhere the large heart to the Petal Pink inside panel with adhesive. Place it where it will be mostly covered by the focal point circles.
19. Stamp the sentiment on Petal Pink Cardstock with VersaMark Ink then sprinkle with White Basics Wow! Embossing Powder.
20. Heat with the heat tool until melted and shiny. Allow to cool.
21. Trim the sentiment strip to a rectangle and adhere to the heart with adhesive.
22. Add the DSP to the envelope flap with adhesive and trim with paper snips.
23. Stamp the front of the envelope with the texture stamp in Petal Pink ink and the two hearts in Pool Party Ink.
24. Tag me at #stampwithnel when you make this card. I would love to see your card.
